**AT THE LSC**

**OPEN WEDNESDAYS 4:30 – 6:30PM**

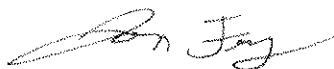

UNI Faculty & Staff:

Thank you for partnering with the Spiritual Leaders Association (SLA) and the Lutheran Student Center (LSC) to ensure that UNI Students who are food insecure have access to basic necessities. Below is a brief overview of what we offer at the LSC. My hope is that this document can help you engage with students who might be in need and point them in our direction.

- The LSC is located at 2616 College St. (Corner of College & University)
- The Food Pantry is open from 4:30-6:30 on Wednesdays during the Academic Year, and always by appointment (319) 266 1653.
- We typically have cereal, canned fruit/vegetables, canned soup, canned meats, peanut butter, toiletries, toilet paper, etc.
- We also have can openers and basic kitchen necessities that students may not have but would need in order to eat the food we provide
- Upon arrival we ask students to sign in with their student ID number and then they can take the food they need. We have bags and cardboard boxes available to help carry food.

If you have any questions, concerns, or ideas for the Student Food Pantry please reach out, I would love to hear from you. [lscuni@uni.edu](mailto:lscuni@uni.edu) is the primary email for the food pantry and I can be reached at (319) 266 – 1653.

Grace + Peace,
